SHOTGUN SKILLS AND SAFETY TEST

INSTRUCTIONS FOR SKILLS AND SAFETY TEST

- ☞ The individual being tested must demonstrate each skill to qualify. This is a pass/fail test that should be conducted in the range, one-on-one, so that the instructor can verify each skill.
- ☞ The individual should report to the firing line with the shotgun unloaded, action open, safety on, with the gun slung on the shoulder or carried with the muzzle high and pointed in a safe direction.
- ☞ The instructor will ask the individual to perform the following activities. As the individual performs the training exercises, the instructor shall mark off each box showing that the exercises have been completed.

- ☐ Bring the gun from safe carry to shoulder, low ready position
☐ Finger off the trigger
☐ Muzzle pointed in safe direction
☐ Low ready correctly demonstrated with muzzle about 45%
- ☐ Duty loads the shotgun with the gun on the shoulder, chamber closed, and safety on (no round in chamber).
☐ Finger off the trigger
☐ Muzzle pointed in safe direction
☐ Gun stays on shoulder, held by strong hand
☐ Loads with weak hand
- ☐ With gun at low ready, the shooter will move forward about 10 yards
☐ Finger off the trigger
☐ Muzzle pointed in a safe direction
☐ Low ready correctly demonstrated with muzzle pointed down at about 45%
☐ Gun stays on shoulder
- ☐ Unload gun for inspection
☐ Finger off the trigger
